# About life insurance

Life insurance provides basic protection for your loved ones if something happens to you. The loss of your income could create immediate financial hardship and lifestyle changes for your family. Life insurance helps assure your family can maintain financial security and meet financial obligations.

While a large percentage of U.S. households have life insurance, the average amount of coverage is often inadequate to meet family needs or pay off debt.

## Life insurance can help you:

- **Protect your family:** Your family depends on your income. Life insurance helps replace that income when they need it most.
- **Protect your home:** For most families, their home is the largest asset. Life insurance can enable your family to remain in their home, pay the mortgage and avoid the trauma of relocation.
- **Protect children's education:** Covering the soaring cost of education becomes even more difficult when there is a loss of income. Life insurance can help secure your children's future.
- **Settle expenses:** Life insurance can also help cover financial expenses, such as medical bills and funeral costs, as well as unplanned expenses and unforeseen financial crises.

### Help provide security at affordable rates

This plan provides members with term life insurance protection in the amount you select from \$200,000 to \$2,000,000 in \$50,000 increments.

Your premium is designed to remain level for 10, 15, or 20 years. With our plan, the initial premium will not change for the first 10, 15 or 20 years unless the insurance company exercises its right to change premium rates for all insureds covered under the group policy with 60 days advance written notice.

## How to apply

### Complete the entire application form.

Once completed, return it to:

**Charles J. Sellers & Co. Inc.**  
4300 Camp Road, Box 460  
Athol Springs, NY 14010

Contact your plan administrator for additional information or if you have any questions.

Some applicants may be required to have a medical exam, at the insurance company's expense, in order to apply for coverage. For more information on medical requirements, please consult your plan administrator.

### Exclusions

Please read your insurance certificate for details. For information on termination of coverage, also consult your certificate.

This group coverage is available to you through the Insurance Trust for Insured Members of the New York Criminal and Civil Courts Bar Association (NYCCCCBA). Administrative costs for group coverage are generally lower than for individual insurance, so you can save on costs and appreciate the benefits of the plan.

### Spouse and child coverage

Spouses can apply for coverage amounts of \$200,000 to \$1,000,000 in \$50,000 increments.

Coverage of \$10,000 or \$25,000 is also available for your children. One premium covers all eligible children, ages 14 days to 19 years, or to age 25 if a full-time student.

### Eligibility for this plan

NYCCCCBA members through age 65 are eligible for 10-year level term coverage. Members through age 55 are eligible for 15-year level term coverage and members through age 50 are eligible for 20-Year level term coverage. You must also be actively at work on a full-time basis (working 30 hours or more per week) to be eligible for coverage.

### Pay no premiums if you're disabled

Optional Waiver of Premium is available. If you become totally disabled before age 60, you may keep your coverage, subject to policy provisions, without paying premiums.

### Level term for 10, 15, or 20 years

At the end of the level term period, evidence of insurability is required to enter another level term period (subject to the maximum age to begin a level term period). If evidence of insurability is not provided or not approved by ReliaStar Life Insurance Company of New York, rates will be based on the five-year age brackets for the insured's current age.

### Super-preferred rates

For extra savings, you can take advantage of super-preferred no tobacco rates. Because the rates require some added underwriting, you benefit with lower rates.

### Continuous coverage to age 80

Coverage will not reduce during your level term period. For members and spouses who are under age 70 at the end of a level term period, coverage will not reduce until age 70. Coverage will reduce to the lesser of 50% or \$50,000 at age 70, and terminate at age 80.

Upon termination, the insured may convert to an individual whole life policy, without proof of good health.

### Individual policy conversion option

If an insured later becomes ineligible for this group coverage, conversion to an individual whole life policy is allowed without proof of good health. The Accelerated Life Benefit and AD&D are excluded from the conversion option.

### Protection for Accidental Death and Dismemberment (AD&D)

The unexpected financial “shock” of an accident can be devastating to a family. That’s why this plan offers an accident safeguard. The AD&D benefit pays your beneficiary equal the value of your life coverage, to a maximum of \$250,000, if you die in a covered accident.

If you are dismembered or lose your sight in a covered accident, you will receive a portion of your coverage, depending on the accident’s severity. AD&D coverage costs \$1.50 per \$10,000 semi-annually. To take advantage of this offer, simply check the box on the application.

### AD&D exclusions

Benefits are not paid for loss directly or indirectly caused by any of the following:

- An accident occurring before the effective date of your coverage under this rider.
- Suicide or intentionally self-inflicted injury.
- Mental illness.
- Bacterial infection or bacterial poisoning.  
**Exception:** Infection from a cut or wound caused by an accident.
- Aviation. **Exception:** A fare-paying passenger on a scheduled or charter flight operated by a scheduled airline.
- War or act of war, whether declared or undeclared, involving any country or government.
- An accident that occurs while in the military service for any country or government.
- Use of any drug or narcotic, unless prescribed by a doctor or taken as directed by a doctor or the manufacturer.

# Additional benefits for members

## A pay-out option during your lifetime

If you are terminally ill and have a life expectancy of twelve months or less, you can receive a portion of your death benefit before dying. This is called the Accelerated Life Benefit. You can receive a payment of 25 percent of your coverage, or \$50,000, whichever is less. Receipt of accelerated benefit payments may be taxable. Assistance should be sought from a personal tax advisor.

## Ownership transfer available

The provisions of the group policy allow you to transfer ownership of your coverage to your spouse, business partner, professional corporation or a trust. Transfer of ownership could result in a tax advantage for you. Contact your tax advisor for details.
